Elevators, Escalators, and Related Equipment

Health and Safety Code, Chapter 754.

Effective 9/1/2003

Sec. 754.012. ELEVATOR ADVISORY BOARD.

- (a) The elevator advisory board is composed of nine members appointed by the presiding officer of the commission, with the commission's approval, as follows:
- (1) a representative of the insurance industry or a certified elevator inspector;
 - (2) a representative of equipment constructors;
 - (3) a representative of owners or managers of a building having fewer than six stories and having equipment;
 - (4) a representative of owners or managers of a building having six stories or more and having equipment;
 - (5) a representative of independent equipment maintenance companies;
 - (6) a representative of equipment manufacturers;
 - (7) a licensed or registered engineer or architect;
 - (8) a public member; and
 - (9) a public member with a physical disability.
- (b) Board members serve at the will of the commission.
- (c) The presiding officer of the commission, with the commission's approval, shall appoint a presiding officer of the board to serve for two years.
- (d) The board shall meet at least twice each calendar year.
- (e) A board member serves without compensation but is entitled to reimbursement for travel as provided for in the General Appropriations Act.

Sec. 754.013. BOARD DUTIES.

To protect public safety and to identify and correct potential hazards, the board shall advise the commission on:

- (1) the adoption of appropriate standards for the installation, alteration, operation, and inspection of equipment;
- (2) the status of equipment used by the public in this state;
- (3) sources of information relating to equipment safety;
- (4) public awareness programs related to elevator safety, including programs for sellers and buyers of single-family dwellings with elevators, chairlifts, or platform lifts; and
- (5) any other matter considered relevant by the commission.
